**Overview of Rajasthan**

1. Rajasthan is a large state in western India, known for its rich history and diverse culture.

2. It is the largest state in India by area, covering approximately 342,147 square kilometers.

3. The state is bounded by Pakistan to the west, Gujarat to the south, and Madhya Pradesh to the east.

4. Rajasthan is famous for its forts, palaces, and historical sites, including the Thar Desert and the Aravalli Range.

5. The state is a major hub for tourism, attracting millions of visitors each year.

**Climate of Rajasthan**

1. Rajasthan has a semi-arid climate, characterized by hot summers and cold winters.

2. The state experiences a wide range of temperatures, with the highest recorded temperature being 51°C (124°F) and the lowest being -45°C (-49°F).

3. The state receives very little rainfall, with an average annual rainfall of only 118.3 mm (4.66 inches).

4. The Thar Desert, which covers a large portion of the state, is one of the driest regions in India.

5. The state is known for its unique desert culture and traditions.

**Population of Rajasthan**

1. Rajasthan has a population of approximately 74.6 million people, making it the 10th most populous state in India.

2. The population is highly concentrated in the plains and around major cities, with a significant portion of the population living in rural areas.

3. The state has a high literacy rate, with approximately 74% of the population being literate.

4. The state is home to a diverse population, with a mix of different ethnicities and languages.

5. The state is known for its rich cultural heritage and traditions.
