4680 CELLS

A detailed 3D rendering of a battery pack, likely for an electric vehicle. The pack is shown from a top-down perspective, revealing a dense array of rectangular cells. The cells are arranged in a grid pattern, with some cells highlighted in green and others in grey. The pack is housed in a white plastic casing. Various electrical components, including wires, connectors, and a control module, are visible on the top surface. The background is dark, making the battery pack stand out.

Vizle

A dark-colored SUV is shown from a side-rear perspective with its trunk open. The vehicle is parked on a light-colored surface. A large, semi-transparent green rectangular graphic is overlaid on the image, containing the text '\$130,000' and the word 'Vizle' in a light blue font.

\$130,000
