16,000+ STUDENTS, 111 COUNTRIES
16 YEARS, 715 OPEN SOURCE ORGANIZATIONS

38,000,000+
LINES OF CODE

Google Summer of Code is a global program focused on bringing more student developers into open source software development. Students work with an open source organization on a 10 week programming project during their break from school.

Coding

June 7, 2021 - August 16, 2021

Students code the summer away.

Results Announced

August 31, 2021

All students who pass the program are...
